## 1. Indicate your application type.

**New Member Evaluation:** New member awards include a single Quartus II license on PC (FIXEDPC, Value \$2,000 per year) or PC Network (FLOATPC, Value \$2,200 per seat, per year) or Workstation (FLOATNET, Value \$2,995 per seat, per year) or LINUX (FLOATNX, Value \$2,995 per seat per year) and one DE2 Education Kit, Value \$495. These awards are used for evaluating the appropriateness of the Altera University Program products for education and are available at no-charge.

**Supplementary:** Supplemental awards are for institutions that have completed an evaluation of the Altera University Program products. Additional seats of Quartus II are provided at no-charge. Additional DE2 Education Kits are available for purchase at special University prices and may be ordered using the DE2 Education Kits Order Form or Buy On-Line at [www.altera.com](http://www.altera.com).

## 2. Indicate your purpose for applying to this program.

**Research Support:** List the research for which you are requesting support. Attach an Abstract of the Research Project.

**Course Support:** List the course for which you are requesting support. Attach course syllabus, catalog description, or other supporting material.

Course Number	Course Title	Frequency	# of Students	Date

## 3. Please indicate your requested items. Choose the request items and fill in Host information, as required.

	Product	Platform	Qty	Lead time <sup>1</sup>	Host Name	NIC/MAC Number
